

Technical Sales Sheet

Solvitol Graffiti Removers

Description

Solvitol Graffiti Removers (GRM and GRT) are specially formulated solvent cleaners, which effectively remove marks left by vandals. The thixotropic version (GRT) is ideal for application to vertical surfaces or areas where the extra slowness of the evaporation aids the penetration.

Applications

Apply to either vertical or horizontal surfaces to penetrate and remove graffiti in the form of paint, biro, felt tip so that it can be easily wiped away.

Benefits

- * Thickened for application to vertical as well as horizontal surfaces (GRT)
- * Water Washable
- * Slow drying
- * Low odour (GRT)
- * Easily applied
- * Available in 400ml aerosols

Technical Data

Appearance	:	Colourless viscous (GRT) and low viscosity liquids (GRM)
Contents	:	GRT; Chlorinated Hydrocarbons, solvents and thickeners GRM; A mixture of Ketones, alcohols and glycol ethers
