

Technical Sales Sheet

Solvitol Heavy Duty Chain Spray

Description

Solvitol Heavy Duty Chain Spray (CHL) is a specially formulated chain lubricant containing molybdenum disulphide. It gives outstanding performance under extreme conditions of load and environment, and does not fling off. Due to its ability to penetrate, only a thin film is left on the surface, just sufficient to prevent corrosion making the product very economical in use.

Applications

Solvitol Heavy Duty Chain Spray has been especially developed for Fork Lift Trucks and similar equipment where chains are stretched under high load conditions and pin lubrication is critical to prevent wear and chain elongation.

Benefits

- * Penetrates into the working parts.
- * Extends chain life.
- * Does not fling off.
- * Resists & prevents corrosion.
- * Withstands High Load Conditions.
- * Excellent lubrication properties.
- * Easy to apply spray application.
- * Economical in use.

Technical Data

Appearance	:	Grey/Black Liquid.
Contents	:	Molybdenum Disulphide and EP Additives. No silicones
Temperature range	:	-10 ⁰ C to +100 ⁰ C
Odour	:	Mild
Storage	:	Below 30 ⁰ C

Pack Size: -

Aerosol 12 x 400ml box

Directions for Use

Shake can before use until agitator ball rattles freely, hold upright and spray from a distance of 15-30cms (6-12ins).

Caution: - Ensure adequate ventilation during application.

Health and Safety

Health & Safety Information is available from the Sales Department of: -
