## Solvitol Hefty, Red Beaded Hand Gel

### Description

Solvitol Hefty Red Beaded Hand Gel (N22) is a combination of soaps, surfactants, solvents and skin conditioners producing a hand cleaner that is effective on the most stubborn ingrained dirt.

### Applications

It is for use in garages, workshops and engineering where grease, oil, ink, gum and heavy general dirt is to be removed. It contains micro sized inert grains to improve cleaning performance.

### Benefits

- \* Contains mild additive for extra cleaning power
- \* Free rinsing
- \* Pleasant aroma
- \* Contains added skin conditioners for extra skin protection

### Technical Data

Appearance	:	Red gel
Contents	:	Blend of soaps, emollients, lanolin derivatives and polymer abrasive bactericides
Storage	:	In closed containers supplied
Flash Point	:	Non flammable
PH	:	7.0

### Pack Sizes: -

Plastic pails	5 litre
	15 litre

### Directions for Use

Work a small amount into dry hands then rinse with clean water and dry hand thoroughly. We always recommend the use of a barrier cream such as N57 for additional skin protection and conditioning.
