## Solvitol M.O.T. Traffic Film Remover

### Description

Solvitol M.O.T. Traffic Film Remover is formulated to effectively remove the grime associated with all types of motor vehicles.

### Applications

Whilst it is designed with the cleaning of motor vehicles in mind it can also be used for general cleaning of a variety of other hard surfaces.

### Benefits

- \* High Foam
- \* Highly effective on animal fats and residues
- \* Low in alkalines
- \* Concentrated formula

### Technical Data

Appearance	:	Straw coloured liquid
Contents	:	Alkalis, chelating and foaming agents
Storage	:	In labelled containers
Flash Point	:	Non flammable
PH	:	12.8

### Pack Sizes: -

Barrels	5 litre
	25 litre
	205 litre

### Directions for Use

The area to be cleaned should be wetted before the product being used to prevent streaking. After allowing time to penetrate, the product can be rinsed away, leaving the surface free from grease and dirt.

Mix with 5 parts water when using through hot water pressure washers and equal parts water used through cold machines. Do not allow the product to dry onto the paintwork. For washing down paintwork and other hard surfaces use at 40 parts water depending on the soil to be removed.
