

Technical Sales Sheet

Solvitol Quick Breaking Foaming Hard Surface Cleaner

Description

Solvitol Quick Breaking Foaming Hard Surface Cleaner (HSQ) is a water based foaming cleaner containing a special blend of surfactants.

Applications

It is ideal for the cleaning of most hard surfaces and the foaming action makes it suitable for use on computers, photocopiers and other electrical equipment.

It is specially formulated to cut through grease and grime and will cling to vertical surfaces. It will make an excellent job of cleaning hobs, worktops, sinks, fridges, Formica, metal surfaces and will remove general dirt, light grease etc. from plastic, ceramics, upholstery, clothing and carpets.

Benefits

- * Dissolves grease.
- * Safe in food areas.
- * Safe on acrylic and plastic surfaces.
- * Anti Static.
- * Easy to apply.
- * Multi purpose.
- * Available in a 400ml aerosol.

Technical Data

Appearance	:	White foam
Contents	:	Aqueous solution of surfactants and alkaline boosters
Storage	:	Below 50 degrees C
Flash Point	:	<0 degrees C
PH	:	7 (neutral)
